Like gold, there's different grades of Coal—
some are the D-karat kind, some the 22-karat
sort. The one kind burns poorly, leaves lots
of slag and clinkers—gives no satisfaction—
the other—the 22-karat variety—THE KIND
WE SELL—is clean, bright, burns freely,
gives the greatest percentage of heat. We
gua-antee all bur Coal to be the best, that
it's honest weight and that it'll be delivered
quick. We carry every grade that's mined.

MR. MCMILLAN NOMINATED. Chosen Without Opposition for the

The caucus for the nomination of United States Senator for four years, to fill the States Senator for four years, to fill the unexpired term of the late Senator Stockbridge, will be held tonight. It will terminate a long and active contest, in which Senator Patton, at present Senator by appointment of Gov. Rich, Congressman Burrows and Schuyler S. Olds are the leading candidates.

Notes of the Contests.

The West Virginia legislature will convene on Monday next. For the first time in twenty years the republicans have a majority in both branches, and ex-Secretary of War Stephen B. Elkins is the leading candidate for the upper house of Congress. There will be some votes cast in the caucus for Judge Nathan Goff and some for John B. Floyd, but it is a tolerably sure thing that Mr. Elkins will get the

bly sure thing that Mr. Elkins will get the nomination and be elected.

Stephen S. Jewell was elected speaker by the republicans of the New Hampshire house yesterday.

The Maine legislature was organized yesterday, the candidates selected at the republican caucus being elected.

The fight in Kentucky for Senator Blackburn's seat is interesting. Ex-Gov. Buckner and Gov. Brown are in the contest, as well as Representatives McCreary and

well as Representatives McCreary and Breckinridge.

The Missouri legislature met yesterday, the republicans for the first time in twenty-

five years being in control. DR. PARKHURST'S PLAN.

A Thorough Revision of New York's Rev. Dr. Parkhurst of New York says, in regard to the reorganization of the police department of New York: "The thing to do in my judgment is to include in the bill of date not so many months ahead-say July 1-the term of service of the existing force should expire, and that a commission, say of five men, should be designated by the mayor to reconstruct the force, whose term of office should commence on the even date with that of the expiration of the present force. Every member of the existing force above the rank of sergeant, and perhaps

including that of sergeant, should be ineligible for appointment on the reorganized "In reconstructing the force preference should always be given, with the exception above stated, to the members of the present force, other things being equal, but in

ent force, other things being equal, but in every instance the candidate for appointment to the new force should be dealt with individually and judged according to his credentials and his record.

"The five members of the commission should go out of office forever on the day when the old force expired and the new one began its existence, and the new force should be governed by a single commissioner."

LOWER WOOLEN DUTIES.

Rush to Get Packages Out of Bond at

law went into operation yesterday. Apprehending the rush there would be to get woolen goods out of bond, customs officials at New York worked all New Year day and the better part of the night to get things systematized. The receipts yesterthings systematized. The receipts yester-day are thought to have been the greatest in the history of the custom house. At all events the income was far larger than on any day in the recollection of Assistant Cashier Jenkins, who has been there since 1892. The total duty collected was \$1,627,-455, of which no less than \$1,097,656.50 was for woolens. The number of packages of woolens withdrawn was 21,017.

Judge Goff Not a Candidate. The Wheeling Intelligencer publishes an authorized statement from Judge Nathan Goff of the United States court of appeals to the effect that he will not be a candidate for United States Senator against ex-Secretary Elkins, and that the use of his name in connection with the contest is efficiently distasteful to him. His friends are authorized to prevent any movement that may introduce his name in the repulling a course. This statement eliminates lican caucus. This statement eliminat Goff's name from the discussion, and practically insures Elkins' election.
